Game Building 101: Building Your First Game (Knowledge Bazillionaire Game)

The screenshot shows the EduGamer.org website interface for the Knowledge Bazillionaire Game. At the top, the site logo and navigation menu (Home, Games, News, Forum, About, Contact, Create Games) are visible. The user is logged in as 'johndoe001' (Instructor). The game title is 'My Knowledge Bazillionaire Game'. The current question is 'What's the capital of Minnesota?'. The player is at Level 1 with a score of \$0. The game offers five levels of difficulty with corresponding prizes: Lvl 1 (\$100), Lvl 2 (\$200), Lvl 3 (\$300), Lvl 4 (\$400), and Lvl 5 (\$500). The player can ask questions as an Instructor, Class, or Student. The current question has four multiple-choice options: A. Fargo, B. St. Paul, C. Minneapolis, and D. St. Peter. Each option is worth \$100. A 'Reset Game' button is located at the bottom left. At the bottom right, there is a voting section with a star rating system (0 to 5 stars) and a 'Vote this game' button. The current rating is 0 of 5 stars (0 Votes) with 1 View.
